Rylan as Micheal from Vsauce
comes into the camera

Micheal/Rylan

Hey, Vsauce! Micheal here!

Pulls out a spoon full of Soap
and shows everyone

Micheal/Rylan
Continuing

And this is soap, you could actually eat it! How you might ask? Well, if you eat it absent minded, it'll taste just like fee- FOOD, it tastes like food! And it tastes amazing!

Raises spoon up to his mouth.

Micheal/Rylan

Anyways, on the count of 3, I'm gonna eat this spoon of soap!
anyways, 3, 2, 1!

Puts spoon down

Micheal/Rylan

I'm not gonna do it. Soap contains a high level of chemicals that are not fit for human consumption... But I'm gonna eat it anyway!

Eats soap, trying to appreciate the taste (Dear god, why?) Until he spits it out and starts gagging. And he's spitting out. Until we see Micheal/Rylan with a huge beard just sitting down and looking at a computer, and I mean "Huje", and he takes a sip of coke, and he grabs his camera and he gets back to making a video.

Micheal/Rylan

Hey Vsauce, Micheal here! And
how thick is your beard?

Teh End
